Friday pm: Once you have found the Campsite, and checked in with the Tannie at the gate, set up, settle down, and enjoy a libation or three, and then find, or make a fire to braai should you so wish, or just do a Leon and go to bed. We have Sites 11, 12, 13, 16, 17, 18, 19.

Saturday: Explore, chill on the river bank, or under a tree, or gaze at the cows.

Saturday pm: The evening meal will be a communal braai somewhere in the middle, with the emphasis on a T-bone steak of whatever size, but the sauce you prepare, or the basting you use, will be judged by all of us per teaspoon as to flavor and piquancy. You only have to taste 6 other zesty samples.
