

Packing Check List

How well you would like to be prepared for your holiday depends on your personal needs and interests. Below is a suggested packing list which can be customised to suit your needs.

Remember not to overload or take unnecessary items with you. Apart from taking up valuable space it will make the caravan or motorhome unnecessarily heavy and could increase your fuel consumption.

Forward Planning.

Inform neighbours, relatives, neighbourhood watch and police that you will be away.

Lock house and leave key & alarm code with neighbour.

12V battery charged?.
